Small Business and Entrepreneur Companies

HOSPACE is a one day conference aimed at senior and aspiring hospitality professionals. The topics discussed are crucial to today's business and the aim is to inform and educate whilst encouraging discussion and debate.

The start-up area always attracts forward thinking delegates who like to embrace new technologies. The lobby of the Nine Kings will be the hub of activity at the start of the day as it is alongside registration, and all the HOSPACE delegates will pass through the area as they move from the conference area to the main exhibition area where the food and beverage will be served.
